

## **Blue SaaS Solutions Partners with Surefile Solutions to Provide Disclosure Management and ESG Solutions to Companies**

***Partnership provides the technology & services solutions needed to implement world-class Disclosure and ESG Reporting Solutions***

**NEW YORK – June 2, 2022** – [Blue SaaS Solutions](#), a leading technology advisory firm, and its parent company Secura/Isaac Group, a global advisory firm helping clients in the financial sector navigate today's complex regulatory landscape, today announced a strategic partnership with [Surefile Solutions](#), a professional services company with deep domain experience in disclosure and regulatory reporting solutions. Surefile Solutions will help Blue SaaS Solutions' clients implement Disclosure Management and ESG Reporting Solutions to help manage complex compliance and filing processes. The partnership will also deliver highly polished output for investor relations including glossy reports, board books, and other materials to meet narrative reporting requirements.

The partnership offers clients end-to-end solutions for regulatory and ESG reporting. Surefile Solutions' industry-leading financial and ESG reporting technology and SEC filing software tools will complement the Blue SaaS Solutions team's extensive regulatory filing and reporting experience, giving clients the confidence they need to adapt to any changes in the regulatory landscape.

"This partnership is an example of Blue SaaS Solutions' commitment to delivering best-of-breed technology solutions and expertise to our clients, helping to ensure they can navigate every aspect of the complex world of regulatory compliance reporting with confidence," said **Stephen Smith**, CEO of Blue SaaS Solutions. "We believe there is great synergy between our two companies, and working together we can help our clients develop governance practices today for greater success in the future."

"We are extremely excited about this partnership, and it shows that both Blue SaaS Solutions and Surefile Solutions are committed to providing a customer experience like no other. Our solutions and service offerings, along with great technology, will be a game changer.," said **Don Hill**, President of Surefile Solutions. "With regulatory bodies continuing to enforce more stringent requirements around XBRL and the upcoming ESG mandate, I feel we are in a great place to tackle the world of compliance with robust technology solutions and service offerings."
